DISTILLED IN LUGASSON

« Lug & Son » is above all the result of an encounter between the Bellanger family of Château Roquefort & the founders of the Distillerie de Guyenne – two companies located in Lugasson, in the heart of the Entre-deux-Mers wine region. This range of craft spirits was inspired by their shared passion for creating products that embody a region and encourage conviviality.

Production. Inspired by 'Les Roches Blanches' Sauvignon Blanc, this artisanal London Dry Gin is distilled from eight botanicals – juniper berries, coriander, verbena, lemongrass, thyme, basil, lemon, cardamom and hops – capturing the very essence of the Bordeaux region.
