Roquefort presents a new range of wines inspired from the spirit of the «Cap Ferret» peninsula, from its wooden cabins, wild nature of the ocean-swept beaches to its fashionable « west coast » restaurants. These wine evoke vacations, warm summer nights, the pleasure of lingering around a table with family and friends.

IN THE BOTTLE

This light red Merlot wine reveals juicy fruity notes of ripe cherries and blackberries, balanced by an elegant roundness and subtle velvety tannins.

ON THE PLATE

Simple plan • Sautéed prawns with Espelette pepper, thinly sliced chorizo and cheese.

Great moment • Tuna tartare with soy and ginger sauce.

Vegetarian • Grilled eggplant with parmesan sauce and fresh herbs.
